

This architectural floor plan shows a large rectangular building with several internal divisions. The main hall (Halle) is labeled "Halle Beton geschliffen 381.47 m²" with a level of -0.30. To the right, there are three smaller rooms: "Lager Beton geschliffen 43.64 m²" at -0.30, "Büro Fliesen 20.01 m²" at -0.28, and a "Terrasse 19.70 m²". A staircase labeled "Geländer H=1.00m" is located between the hall and the storage room. The plan includes numerous dimensions for walls, openings, and furniture placement. Structural elements like columns (AW 02) and beams (PH= 108.00) are indicated. A dashed rectangle in the center of the hall suggests a future construction or removal area. The drawing uses standard architectural symbols for doors, windows, and stairs.
